

“Disclaimer”

CNTEE TRANSELECTRICA SA (hereinafter called “CNTEE TRANSELECTRICA” or the “Company”) has introduced a section *Pan-European codes* (hereinafter called the “Section”) on its site www.transelectrica.ro to facilitate public access to the information and initiatives related to Company activities in the implementation of European network codes.

The use of such Section means fully agreeing with the terms and conditions below. The terms and conditions can be amended any time by the Company, with no preliminary notification of the persons using it (hereinafter called "Users"). In case they do not agree with the stipulated terms and conditions Users should forthwith cease accessing this service.

The purpose of the Company is to always provide topical accurate materials and informations in this Section.

Such materials:

- Have got exclusively general nature;
- They are not bindingly complete, accurate or update;
- They sometimes refert to external sites that are beyond the Company's control and liability;
- They are not professional or legal recommendations (in case you need an opinion on certain issues please consult a properly qualified specialist).

A document available in the Section does not necessarily reproduce the text of an official document. Certain information and documents available in the Section cannot be considered a proper reproduction of official texts. In case there are differences between the electronic version and the printed text, the latter alone is considered authentic as officially published.

Third party opinions or constructions can be made available in the Section. Nevertheless the Company assumes no liability or obligation with respect to such materials or opinions published on the site.

Users will utilise the information provided in the Section on their own liability and in case of damage generated by the use of such services or information supplied, Users accept CNTEE Transelectrica will be held free of any liability.

The Company cannot be held liable for direct or indirect damage caused by the use of this Section and assumes no liability in case certain information is provided late, is lost, erased or cannot be stored on our servers for any reason. It similarly declines liability for the outcomes occurring for reasons of late, lost or inaccurate information published or existing in the Section.

The files or formats of certain data or information are not likely to be error free. In such case we cannot guarantee the service will operate uninterruptedly or that it will not be impacted by such problems in any other way. All measures are taken to limit as much as possible the inconveniencies occasioned by technical errors.

The Company assumes no liability in case the Section cannot be accessed by Users for unlimited time intervals, for any technical or commercial reasons.

The Company declines any liability in case of errors of data transmission caused by the distinct nature of web networks or by inconsistencies between the navigation programmes of Users. In case other web links or forwarders are used, the general utilisation terms will be applied corresponding to such sites. The Company cannot guarantee / control the topicalness / accuracy of information provided on third party sites which links are offered on its site to.

Although our purpose is to upload actual accurate information, we cannot provide any guarantee thereof. In case errors are detected, please contact us and we will do our best to remove them.

This *Disclaimer* is not meant to limit the Company's liability in a manner that contradicts the requirements of applicable legislation and does not exclude legal obligations".
