3	<b>Total distributions (a+b+c+e+f)</b>	<b>514,572,741</b>

The proposed distribution for accounting profit remaining after deduction of the income tax on December 31, 2022 was done in accordance with the provisions of applicable legislation, namely:

- OG 64/2001 on profit distribution in national societies, national companies and trading companies with full or majority state capital, and in independent authorities, approved with amendments by Law 769/2001, with later amendments and additions;
- OMFP no. 144/2005 – approving the Specifications to determine amounts used in profit distribution according to OG 64/2001 on profit distribution in national societies, national companies and trading companies with full or majority state capital, and in independent authorities, approved with amendments by Law 769/2001, with later amendments and additions;
- OMFP no. 128/2005 regarding certain accounting regulations applicable to economic agents;
- Law no. 227/2015 on the Fiscal Code, with later amendments and additions;
- the (EU) Regulation no. 943/2019 of the European Parliament and the Council of June 5, 2019 regarding the internal market of electric energy;
- ANRE Order 171/2019, with later amendments and additions approving the Methodology establishing tariffs for electricity transmission services;
- the approval report of the order that refers to the approval of the average tariff of electricity transmission service, of the components of the tariff for the electricity introduction transmission in the network (Tg) and extraction of electricity from the network (TI), of the system service tariff and of the price for the reactive electricity, practiced by NPG Co. Transelectrica, valid since January 1, 2022, sent by A.N.R.E. through letter no. 148981/13.12.2021, completed by report no. 76336/20.04.2022 on the calculation of the electricity transmission tariffs, applicable from April 1, 2022;
- the revenue and expense budget approved by SGA Decision no. 1/25.02.2022, corrected by SGOA Decision no. 8/29.09.2022.

**The 2022 accounting profit remaining after deduction of income tax was distributed to the following destinations:**

**a) legal reserve amounting to 8,679,665 RON**, determined at 5% applied on accounting profit until it had reached the fifth part of social capital subscribed and paid, in accordance with the provisions of art.16, para (1), letter a) from Law no. 227/2015 on Fiscal Code, with later amendments and additions and of Law no. 31/1991 regarding the commercial societies.

**b) other reserves representing law-provided fiscal facilities amounting to 71,849,896 RON**, represented by tax payment exemption for reinvested profit, in accordance with the provisions of article 22 of Law 227/2015 on the Fiscal Code, with later amendments and additions

**c) other law-provided distributions amounting to 331,218,663** - represented by revenues achieved in 2022 from interconnection capacity allocation (amounts net of income tax and of legal reserve), distributed according to the provisions of art. 1 letter. d) from G.O. no. 64/2001 regarding the profit distribution in national societies, national companies and commercial societies with full or majority state capital, as well as in the independent authorities, with later amendments and additions, in conjunction with the provisions of the (EU) Regulation no. 943/2019 and ANRE Order no. 171/2019, which provide that revenues

from the allocation of interconnection capacities are used in order to make network investments or to maintain or increase interconnection capacities.

**d) dividends owed to shareholders amounting to 52,045,231** – represents a gross dividend of 0.71 RON/share.

The value of gross dividends owed to shareholders was determined taking into consideration the following:

- the number of shares existing on the elaboration date of 2022 financial statements, namely 73,303,142 shares;
- gross dividends per share established with 2 decimal figures after the point.

The value of the dividends represents 50.62% of accounting profit remaining after income tax on December 31, 2022 and

remaining profit to be distributed and coverage of the destinations from points a), b) și c).

**e) other reserves constituted as own sources of financing amounting to 50,779,286** – represents the non – distributed profit on destinations a), b), c) și e).

Under art. 14, para. (1) letter. b) from the Articles of Association of NPG Co. Transelectrica updated by SEGA Decision no. 7/18.08, **we submit to approval of the Shareholders' General Assembly the distribution of the net profit on December 31, 2022**, in accordance with the suggestions given above.
