### ANNUAL CONSOLIDATED REPORT

2016

## Supervisory Board's Report about the consolidated financial statements executed in accordance with the International Financial Reporting Standards

The Supervisory Board relies on the corporative governance principles, which provide the Company's responsible professional ethical attitude in relation with main stakeholders. The Board analyses the Company's strategy and the premises of the environment it operates in, with a view to plan Transelectrica's development and its performance, thus providing rigorous expression of objectives.

In the Supervisory Board the Company Directorate supplied detailed information about the 2016 consolidated financial statements. We have assessed the significant transactions for Transelectrica at plenary meetings, using the reports submitted by the Directorate.

SC Deloitte Audit SRL have audited the 2016 consolidated financial statements and reviewed the compliance of the 2016 Annual Consolidated Report with the consolidated financial statements. Consequently they issued unreserved audit opinion.

The consolidated financial statements and the audit report have been submitted for the Supervisory Board's examination. The Audit Committee submitted a report to the Supervisory Board with respect to reviewing the results of 2016 financial year at the meeting approving the 2016 financial statements and recommended the Supervisory Board to endorse the consolidated financial statements, drawn up according to OMFP 2844/2016.

At the same time the Directorate's Annual Report elaborated in accordance with the requirements from the capital market legislation was reviewed by Supervisory Board members. The 2016 Annual Consolidated Report provides a true accurate image of the Company's consolidated results of 2016 financial year.

The Audit Committee assist the Supervisory Board to carry out the supervision responsibilities for financial and managerial reporting, internal control, audit process and the organisational monitoring of the compliance with the laws, regulations and the code of conduct.

The consolidated financial statements of Transelectrica executed in accordance with the IFRS were verified on 22 March 2017 in the Audit Committee's and the Supervisory Board's meetings, and they were submitted for approval to the Shareholders' Ordinary Assembly convened for first reunion on 27 April 2017.

With highest consideration,

Dragos-Corneliu Zachia-Zlatea

Supervisory Board Member

Chairman

#### **PRESENTATION**

On the date of this report Transelectrica has four subsidiaries in its structure, Romanian legal persons, organised as joint stock companies where it is the sole shareholder, namely: OPCOM<sup>1</sup>, Formenerg, Teletrans, and Icemenerg Service.

In the case of Smart, following increase of its share capital on 23.12.2014 by the Board of Administration of Smart with the value of lands which ownership certificates were obtained for previously, the Company became majority shareholder of 70% of the subsidiary's share capital.

Only companies Smart and Teletrans from among Company subsidiaries were included in the financial consolidation of the Group. Formenerg and Icemenerg-Service have not been taken into calculation upon consolidation since, according to applicable accounting legislation, the impact of their activities is considered insignificant for consolidation, while OPCOM complies with ANRE rules and has independent position on the energy market, consequently Transelectrica has no control over it.

In 2016 Subsidiaries participating to the consolidation area (Smart and Teletrans) began procedures with a view to implement the corporative governance principles, in accordance with the regulations of GEO

<sup>&</sup>lt;sup>1</sup> According to GEO 86/ 2014 the Ministry of Economy, Trade and Tourism is mandated to initiate and approve all operations and steps necessary in order to transfer the shares held by the National Power Grid Company Transelectrica SA in the Company Electricity and Natural Gas Market Operator OPCOM SA in the Company Training Power Engineers of Romania FORMENERG SA to the state private property and the administration of the Ministry of Economy, Trade and Tourism, while observing the applicable legal provisions.

109/2011 on the corporative governance of public institutions. Thus the hired managers will be made responsible and remunerated according to the administration and management plans (which should include optimum administration/ management structures) as provided in GEO 109/2011. By implementing the corporative governance principles intentions are to make efficient the activities of the two Subsidiaries and the Company took steps to carry out the objectives assumed under the Company's Administration plan.
